the bottom line message of this book is democracy resurgent but not triumphant there are any number of conceivable anti democratic threats and no prospect of ever achieving either a satisfactory or a permanent level of democracy in all countries and societies any lowering of the guard by democracy s defenders in academia or real world politics risks the danger of democracy once again falling upon hard times or even regressing

the kalimantan forest partnership comes under the umbrella of the asia forest partnership afp it arose from a commitment made in 2002 at the world summit in johannesburg by the netherlands government to support the afp s efforts to promote sustainable forest management in kalimantan indonesia the kalimantan activities are promoting collaboration among various parties and stakeholders and linking improved forest governance in kalimantan to international trade in asia and europe this report details the lessons learned from the collaborative activities in kalimantan it also examines the current state of forest governance in indonesia the conversion of forest lands and how international markets might influence indonesia and kalimantan s forestry sector the report also looks at the kalimantan forest partnership s response to regional problems overviews its successes and analyzes its capacity building initiatives the report also offers several recommendations for helping to ensure the partnership achieves its stated goal of improved forest governance and sustainable forest management

what are the major issues confronting social policy makers today what theoretical perspectives shape our thinking about the causes of social problems and how we should respond what can we do to influence decision makers about which policy choice to make in this completely revised and updated edition of canadian social policy a new generation of social policy analysts discusses these important questions readers who are interested in discovering the current policy debates and who want to understand the policy

making process at various levels of government as well as how they can influence the process and assess whether policies are working will find this book invaluable

state governments in the past decade have had to take on the problem of health care with mixed results this collection of 11 essays of which two are an introduction and conclusion by academics and policy makers consider the many issues that concern health care in the us and their effects at the state level including managed care health insurance expansion mental health care public health administration and bureaucratic reactions to health policy hackey teaches health policy and management at providence college in rhode island rochefort teaches political science and public administration at northeastern u in boston c book news inc

we are on the verge of a true crisis of civilisation ecological disruption chronic dissatisfaction of the basic needs of a large part of humanity and degrading physical and mental health in industrialised countries we must address the crisis s main cause the pursuit of a development approach focused on economic growth and based on intensive inefficient use of natural resources this book is a call for humanity to look itself in the mirror question its identity as a species and re examine its place in this world

proceedings of the international workshop on the challenge of rebuilding afghanistan held at islamabad during 2 3 march 2005
